

Hello everyone

2 events at the sailing club coming up and they are both on the 26th - so easy to remember

Wednesday 26th March 7.30pm

£2 entrance & refreshments

Slides Digital Video and Talk by George Brown

Underwater engineer, biologist and photographer

George gave a similar talk about 4 years ago that is still talked about - it was so good -

this time he's bringing slides/video from St Kilda and Moray Firth and from deep mixed gas diving.....

"My latest adventures include deep mixed-gas diving off St Kilda so I will show some slides and digital video of that. I've also taken some new shots of shipwrecks in the Moray Firth including a submarine and Valentine tank! These plus a selection of marine and diving exploration shots and we have a slide show"

one not to miss!

Saturday 26th April - 7 pm onwards -

Start of Season Curry Night

this year we're getting a selection of curries from Gabri curry house in Avoch - who are apparently excellent plus all the amazing trimmings that our team produce.....

all nfor £7 a head....a brilliant night last year...

please could you book with Helen or Val to secure your meal - number limited to 50 - nearly all taken last year

helen - Tel. 01381 600 539
email: hcr2@tutor.open.ac.uk

val - Tel. 01381 620 746
email: richardandval@yahoo.co.uk

see you there - let's create some wind for the coming season.....helen
