RACE MARK LAYOUT

The course will use start line mark P (pillar buoy) plus some of the other semi-permanent buoys shown. Marks **C, D, E, F, and G** are positioned in a wide arc roughly 600m from the harbour.

The Start line is defined as the line between the flagpole beside the Starter's Box and Mark P. Mark A defines the **inner** limit of **the** line **but** may not sit directly on the start line. Starting boats must pass between **A** and **P** when starting.
