

CHANONRY SAILING CLUB SOCIAL AND CATERING REPORT 2014.

The 2014 season has been fairly “standard” for Social and Catering. However profits are noticeably down compared to previous years. I think that this can be put largely down to the facts that we had a “quiet” regatta and the HMS Coaching weekends had low attendances. The take-up of “tea and cakes” at the dinghy One-Day events has also been patchy.

After the resignation on retirement last year of our long-standing cleaner Ann Geddes we now have Kim Johnstone who has done a great job over the season, we hope that she will carry on next year.

As ever there have been many helpers and I apologise now for any I may have missed. In particular however I would like again to thank Hanako Cameron who has looked after “day-to-day” stocks, also Janet and Robin Witheridge, Mary Pocock, Shona Henry , Liz Watson, Pam Hogan and Gillian Wilson who have all made the role of Social and Catering Convenor much easier.
