

## Chanonry Sailing Club Newsletter – 26 May 2013

- Many thanks to all who assisted with the RNLI/Club Open Day. Although visitor numbers were down on last year many favourable comments were received from those who did come along.
- In conjunction with the dinghy events on 2 June, a “soup and sweet” lunch will be available.
- If there is sufficient demand, a 2-day Power Boat Level 2 course will be held on 24 & 31 August. Expressions of interest to Helen Jenner please [r.h.jenner@btinternet.com](mailto:r.h.jenner@btinternet.com).
- The poor weather so far this season has meant some planned events have had to be postponed. A new date for the Ness Cup will be published shortly but rescheduled Sunday morning events are:
  - 2nd June - Practice Starts
  - 16th June - Match Racing
  - 23rd June - Skiff Courses
