

Cruiser update:

August saw CSC successfully host our Cruiser Regatta which is an open event in the Moray Yacht Axis series. Eight boats competed, including visitors from the clubs at Cromarty, Invergordon and of no affiliation. Well done to the crews of Joker and Wisp who competed for Chanonry in the fast and slow classes respectively; Joker skippered by Robert Taylor taking the Taylor cup.

September the 10th saw south westerly F4 gusting 5 providing a lively setting for the final event of the MYA series; the Black Isle Challenge Cup, again hosted by CSC. Six boats from Chanonry, Invergordon, Cromarty and no affiliation competed. Monkey Business and Hava represented CSC. The event was followed by the series prize giving in the clubhouse where as per previous event great food and refreshment were laid on.

Thanks due to all those who supported these events in capacities of race officers, water taxi, catering, prize giving, and of course those who were able to compete from this club and beyond.

James Dargie
Cruiser Liaison Officer
