

Jeckells appoints a new agent in Scotland!

It may be Friday 13th Dec 2019 today, but here at Jeckells the Sailmakers we are full of enthusiasm and demonstrating our confidence in UK manufacture by having appointed a new agent in North East Scotland - Stitch It & Fix It of Forres.

Tim Phipps, owner of Stitch It & Fix It, has been at Jeckells the Sailmaker's Sail loft in Wroxham all week learning the attention to detail that goes into every new Jeckells' Sail, though Stitch It & Fix It has been repairing sails since 2012. He commented "Jeckells the Sailmakers has been going for nearly 200 years and is a well-known name in the business so who better to partner us in the future?"

Chris Jeckells, MD of Jeckells the Sailmakers, added "We have agents all over the world to assist our customers but have hitherto had no one in Scotland, although we exhibit at Scotland's Boat Show every year. Tim is a first class person and will, I am sure, be just the right person to support us in this important part of the country where there is so much water and so many boats.
