Preface

- Sailwave is a popular, fully featured, easy-to-use sailing regatta scoring system. It is used internationally at all levels of the sport from club races to regional and world championships. Functionality is based on ISAF RRS 2013-2016 Appendix A (Scoring).
- One of the major benefits of using Sailwave is Fast results entry via the Sail Number Wizard and automated scoring (calculation). As a bonus, you never need to worry about your poor handwriting.
- CSC organizes about 200 days of sailing a year. The series in complexity from club series to multi fleets regattas.
- This guide is aimed for:-
Wednesday Series (MH Morrison Cup and Chanonry Quaich)
Sunday Series (Fraser MacKenzie Cup, Chanonry Trophy and Harbour Rosebowl); and
One day Events (Monthly one day events and Cold Turkey)

How to use this guide

- This guide explains, with step by step instructions, how to use Sailwave to score the race.
- This guide is **a tutorial for beginners** of Sailwave.
- It explains how to use Sailwave to score the event of MH Morrison Cup (Wednesday series). If you are the Race Officer for Chanonry Quaich (Wednesday series), instructions are exactly the same as described in this guide but you need to open the existing 'Chanonry Quaich' file instead of a 'MH Morrison Cup' file.
- For other events (Sunday series or One Day events), besides opening relevant files, you need to repeat 'enter the results (step 4)' for each race if the number of the race(s) is more than one.

Overview

- Step 1 • Complete the Result Sheet by Hand
- Step 2 • Switch on Equipments and Login
- Step 3 • Open the existing Sailwave file

If Sailwave returns 'no possibilities' when you entered the 'Helm Name', it means the competitor's information has not been registered under this Helm name in the system. You can add the competitor as new by clicking the 'New' button as shown below.

The screenshot shows the 'Enter results via sail number' interface. At the top, it displays 'Race R4' and 'Competitor Unknown'. Below this, there is a text prompt: 'Type in enough of the field to make it unique (beep) and then press Enter. Resolve ambiguities by selecting a competitor from the list or by entering an ambiguity box that automatically appears as necessary.' The 'HelmName' field contains 'Donald MacDonald', which is circled in red. To the right of the field is a 'New' button, also circled in red. Below the field, a message box displays 'No possibilities', which is also circled in red. A yellow callout box with a hand icon contains the text: 'By entering * asterisk, all the competitors are listed.' At the bottom of the interface, there are 'Back' and 'Next' buttons. A checkbox at the bottom left is labeled 'Don't show competitors that already have a result for this race'.

 To change the print layout, click 'Portrait' or 'Landscape'.

Step 8: Edit the Result (If required)

If there is a problem you will need to go back to Sailwave, you can modify individual results by clicking on the relevant box in the table and using the right mouse button menu to “edit result”.

The screenshot shows the Sailwave interface for the 'W.M.H. Morrison Cup :: Chanonry SC'. The 'Selected competitor' is 'LASER RADIAL 196581 Jack Evans' and the 'Selected race' is 'R4 09/05/12 19:35'. A table lists competitors with columns for Rank, Boat, Class, SailNo, Club, HelmName, CrewName, PY, and race results (R1-R7). The row for Jack Evans (Sail No 196581) is highlighted in yellow, and the 'R4' cell contains '1.0'. A right-click context menu is open over the 'R4' cell, with 'Edit result...' circled in red. A red arrow points from a text box to the 'R4' cell, and another red arrow points from a text box to the 'Edit result...' menu item.
