

Social and Catering Report for the AGM 27/11/2015

It has been a busy first season for me as social convenor! Since the last AGM we have catered for more than a dozen events, filled hundreds of bacon rolls and made gallons of soup.

I would like to take this opportunity to thank all the volunteers who helped me cook, serve and clear up after all the events. I could not have done it without them.

I would also like to encourage more members, or their families, to volunteer to help in this area. It would be wonderful to have a bigger list of helpers to call on.

Points to note:

- We have a new cleaner called Catherine.
- The galley has passed two Council Hygiene inspections. These have led to some labels and signs in the galley. Please ensure that you follow the signs if you are using the facilities.
- The Committee has decided to limit applications for bar licenses to the more social events as takings have not covered the license fee on several occasions. BYO may be an option going forward.

Finally, the committee has been considering holding some purely social events but would like to gauge the level of interest from members and their families. Possibilities include, quiz nights, themed buffet dinners or entertainers. If there is a particular social event you would like us to consider please let me know.
