

STOP PRESS

West of Scotland Boat Jumble - Irvine Harbourside, Sunday 6 May 2018

**FREE ADVERTISING OF BOATS FOR SALE OVER 20 FEET IN LENGTH**

We realise that's it is not practical to physically transport larger boats to the above venue in the hope that a new owner will buy on the day and thence transport the vessel to its new home.

In order to put sellers of vessels over 20 feet in length in contact with potential buyers, we aim to establish a contact display board at this year's Spring show.

All that we ask is that we receive a laminated picture of the vessel offered for sale together with a description of the boat and associated equipment with a selling price and contact details for potential buyers. All details should be contained within an A4 single sheet document.

All sales sheets obtained will be displayed on the Boats for Sale board during the duration of the Boat Jumble for all customers to view. Laminated sheets should be sent by post to William Aitken, Emoh Ruo, Ayr Road, Irvine, Ayrshire , KA11 5AB no later than Monday 30 April 2018.

This could be an ideal opportunity for your members/customers to advertise their boats to a wide audience of potential buyers at no cost other than the production and postage costs of the A4 poster.
